

Ariana Campos is a 3rd year student at Dallas Baptist University. She is pursuing a Secondary Education degree double majoring in English and Spanish. Ariana will graduate with her certification in English Language Arts, Spanish, and English as a Second Language (ESL). Ariana hopes to teach high school Spanish in the future. Although Ariana is half Mexican, she learned Spanish through school and self-study. Due to this fact she is equipped with first-hand experience in learning a foreign language. Ariana has had the opportunity to travel to Mexico for mission trips and was able to gain more knowledge of the Spanish language and culture. Ariana has also had the opportunity to work in high schools and middle schools as a tutor. It is through her love for helping people and her experience tutoring that she found her passion in teaching.
